

- TWO STEEL BLADES HINGED ON A CENTRE SPINE
- NO OUTER RING; THE BLADE SET DROPS INTO THE DIFFUSER NECK
- PLASTIC KEY HANDLE SUPPLIED, OPERATED FROM THE FACE
- ORDER BY THE DIFFUSER NECK DIAMETER

DIMENSIONS (INCHES)

SIZE NECK DIA.	FINISHES	ITEM NOS.
6	Brown	410202-1
8	Brown	410202-2
10	Brown	410202-3

SIZE is the diffuser neck diameter the damper is made to fit. This body has no outer ring or flange: the blades and the spine sit inside the neck, so there is no overall diameter to publish. The black item 410102 is a different body, a ring damper, and its overall diameter and open height do not apply here.
